- **Soft Skills:** Interpersonal, Problem-Solving, Collaboration, Self Awareness, Personal leadership, Adaptability.

## PROJECTS:

**Hospital Management System** | HTML, CSS, JavaScript, PHP, MySQL

- Designed and developed a comprehensive platform to streamline hospital administrative and clinical operations, managing patient records, doctor appointments, staff schedules, billing, and medical reports.
- Led a team of 10 members, ensuring seamless collaboration and successful project completion.
- The system manages patient records, doctor appointments, staff scheduling, billing, and medical reports.

**Online News Portal** | HTML, CSS, JavaScript, Java, MySQL

- Developed a dynamic web-based platform to deliver real-time news across multiple categories, ensuring user-friendly navigation and responsive design.
- Built a responsive and user-friendly web-based portal delivering categorized news updates.

**Employee Data Record** | HTML, CSS, JavaScript

- Created a web-based application to efficiently manage and display employee records, supporting real-time data updates and CRUD operations.
- Ensured efficient functionality for adding, updating, deleting, and viewing employee details.

## RELEVANT COURSEWORK / SKILLS:

- Data Structure and Algorithms(DSA)
- Programming Languages(Java, C)
- Cloud computing
- Big data
- Software Engineering
- Web Programming
- Operating System
- DBMS

## INTERNSHIP:

**Junior Software Developer Intern** **July 2024 – Oct 2024**
Rooman Technology Pvt Ltd, Bangalore

- Collaborated on developing and maintaining full-stack Java applications, optimizing user experience and performance.
- Developed dynamic and responsive web pages using HTML, CSS, and JavaScript, seamlessly integrated with Java-based Backends. Learned Data Base management by implementing queries and CRUD operation in MYSQL.
- Spearheaded the end-to-end development and deployment of web applications, delivering interactive and user-centric designs.

## PROFESSIONAL CERTIFICATIONS:

- Junior Software Developer Course - National Skill Development Corporation (NSDC)
- Java Training Course - Besant Technologies Pvt Ltd
- Java Online Course - Great Learning
- Enhancing Soft Skills & Personality - Magic Bus Foundation
